SPRING 2026 PROGRAMS

April Vacation | Middle School

Install-nation: Public Art

10:00 am – 3:00 pm, Monday, April 27 - Friday, May 1

Location: Monarch School, Rochester NH

Help transform your community through public art! In this program, middle school artists will work as a team to design and build a public art installation. We'll sketch ideas, test materials, and figure out how to turn one shared design into a finished piece. When it's complete, the artwork will be featured in a public display, sharing the group's creative vision with the wider community.

After-School | Middle & High School

Scene Stealers

4:00 pm – 6:00 pm Mondays from March 16 – May 11

Location: NH Theater Project, Portsmouth NH

Have you ever watched a movie and thought, "I could play that role!" In this fun theatre program, you'll explore your favorite characters by playing improvisational games, acting out scripted scenes, and exploring other onstage skills. At the end of the program, we'll perform our scenes for friends and family!

DIY Accessory Lab

4:00 pm – 6:00 pm Thursdays from March 19 – May 14

Location: AIR HQ, Durham, NH

DIY Accessory Lab is a make-it-your-own studio where style, skill, and a little creative chaos collide. We'll design and build bags, hats, jewelry, wallets, and more—using sewing, leatherworking, hardware, and a mix of new and upcycled materials. This is a space for experimenting, remixing, and taking creative risks, where no two projects look the same and every piece reflects the maker behind it.

READY TO SIGN UP?

Visit artsinreach.org/programs or scan the QR code.

Open Studios | Middle & High School

Participate in the provided craft (rotating monthly) or bring a project of your own. All open studios are held at AIR HQ in Durham, NH from 11 am - 1pm.

February 7: Junk Journaling

Build your own junk journal using scraps, collage, and mixed media techniques. Perfect for capturing memories, doodles, and creative experiments.

March 7: Bead Bling

Learn to make earrings, keychains, and other unique creations using beads and wire.

April 4: Zine Scene

Explore DIY publishing by making mini-zines! Collage, draw, and write your own small-format zine, then swap and share with other makers.

May 16: Collage Buttons

Use magazines, scrap paper, and your imagination to design wearable art buttons. Bright, bold, and endlessly customizable!

AIR Outings | Middle & High School

Learn more about all of our free, fun field trips at www.artsinreach.org/register. Watch your email and our social media for updates throughout the year!

Arts In Reach's "Buggin' Out" Opening Reception
