

2026 FALL PROGRAMS

MIDDLE SCHOOL

FANTASEA

Thursdays, October 1 - November 19

4:00 pm – 6:00 pm, Community Campus, Portsmouth, NH

What's lurking at the bottom of the ocean? Glowing creatures? Tiny ecosystems? Shipwrecks? Giant squids? In Fantasea, we'll build, paint, sculpt, carve prints, and experiment with materials while creating individual and collaborative pieces inspired by marine life and deep-sea environments.

We'll also take a field trip to the Seacoast Science Center for inspiration and a closer look at the Gulf of Maine.

Registration closes: September 16, 2026

HIGH SCHOOL

OPEN MIC

Tuesdays, September 29 - November 17

4:00 pm – 6:00 pm, Newmarket Millspace, Newmarket, NH

Ever wanted to try stand-up? Perform a song? Read something dramatic into a microphone for absolutely no reason? Open Mic dives into all things, well, open mic — spoken word, storytelling, music, comedy, improv, dramatic readings, and original performances of all kinds.

We'll spend our time writing, rehearsing, trying things out, and seeing what happens when ideas leave the group chat and hit the stage. Whether your style is sincere, chaotic, funny, awkward, or strangely committed to a bit, this is a space to experiment, collaborate, and make original work together.

We'll wrap things up with a live Open Mic Night where friends and family are invited to come see what we've been working on.

Registration closes: September 16, 2026
